Description:

The Orb Sur Wall Light imbues an additional layer of depth to the Orb Lighting collection with its perfect sphere of opal glass encapsulated in an aluminium frame. This elegant piece features a solid brass frame in the old brass and iron versions, while the white variation incorporates an aluminium frame. Emitting a soft, diffused light, it complements any interior setting flawlessly.

A part of the diverse Orb Collection, it aligns perfectly with six other wall light variations – Mirror, 1lt Short Arm, 1lt Long Arm, 3lt, Sur, Mini Sur – and a pendant light, offering a comprehensive lighting solution for any contemporary bathroom or other spaces.

Enhanced depth with aluminium or solid brass frame encapsulating an opal glass sphere.

Emits a soft, diffused light that complements any interior.

Part of the diverse Orb Lighting Collection, with six wall light variations and a pendant light.

Perfect contemporary bathroom light choice.
