

LIGHTERIOR

Parlour Elong Pendant Light

The Parlour Elong Pendant Light is classically transitional and elegantly stylish. The variety of finishes combined with a brass suspension provides a beautiful luxe product suited to many environments.

Four colours for the Elong can be mixed and matched with 2 finishes available for the suspension to get the desired effect. The glass can be installed in two different positions to elongate or shorten the height of the fitting.

Due to the nature of the materials and the hand-finishing process, there may be small variations in the finish and tone of the Parlour iron and brass suspensions.
