

Elongated Crochet Wire Pendant Light

SKU: EML562PL - 002

PRICE: \$715.00

The Elongated Crochet Wire Pendant Light features a sculptural form created using crochet techniques that transform aluminium wire into a fluid, organic expression. The open woven structure balances durability with a light, intricate appearance.

Available in black for a contemporary finish or brass for a warmer, more classic tone, the pendant’s crocheted loops allow light to pass through freely, casting subtle patterns and adding visual depth to the space.
